We're Looking for Sponsors.

Why we need your support

Madison Elementary School is a small school serving the Eastside neighborhood and downtown. Our school strives to create a nurturing environment for students, their families, staff and the Olympia community. Madison encourages caring, respect, academic excellence, and lifelong learning.

The Madison Elementary PTO is a non-profit organization that provides crucial financial support to teachers and helps to fund many fun and enriching activities such as movie nights, assemblies, bingo night and Olympia Junior Programs. We also organize and fully fund the annual science fair.

Money raised through this event will allow the PTO to offer our students even more enrichment opportunities.

The inaugural Madison Mad Dash 5K helped to begin a tradition that builds more community involvement in the education of our children and provides a fun, healthy activity for kids and adults alike. This is an opportunity to introduce kids to the lifelong benefits of a healthier lifestyle.
